Dear Sir:

In reply to the *Decision under 37 C.F.R. §1.137(b)*, dated March 31, 2008,

Applicants respectfully submit the following documents:

1. *Petition for a Four-Month Extension of Time*, pursuant to 37 C.F.R. §1.136(a), along with an EFT in the amount of \$820.00 (small entity), for extending the two-month non-statutory deadline of May 31, 2008, through September 30, 2008;

2. *Statement by “Added” Inventor, Pursuant to 37 C.F.R. §1.497(d)(1)*; and,
3. Newly-signed *Declaration for Utility Patent Application*, pursuant to 37 C.F.R. §1.63.

REMARKS

This *Renewed Petition under 37 C.F.R. §1.137(b)* is in response to the *Decision on Petition*, dated March 31, 2008, in which the Office of PCT Legal Administration dismissed, without prejudice, Applicants’ *Petition* to revive the above-identified P.C.T. international application with respect to the U.S. designation on the ground that a statement by the inventor to be “added” to the application, who had been inadvertently omitted as being correctly named as a co-inventor, was required in accordance with 37 C.F.R. §1.497(d)(1), as a prerequisite for reviving the P.C.T. international application and its acceptance into the U.S. National Phase.

As required by the Office, Applicants are now filing their *Statement by “Added” Inventor, Pursuant to 37 C.F.R. §1.497(d)(1)*, which has been signed by both the “added” inventor, as well as the originally-named inventor. Further, both Applicants have signed a new *Declaration*, pursuant to 37 C.F.R. §1.63, which should be considered together with the *Statement* filed under 37 C.F.R. §1.497(d)(1).

There is no assignee from whom a Statement would be required under 37 C.F.R. §1.497(d)(3).

As Applicants understand the *Decision on Petition*, issued March 31, 2008, no

further requirements, beyond the papers provided with this *Renewed Petition*, remain outstanding. Should any further documentation be required, the Office is requested to telephone or e-mail the undersigned to expedite the handling of Applicants' *Petition* and the eventual prosecution of their P.C.T. application in the United States.

Accordingly, Applicants' P.C.T. international application should now be revived in accordance with the provisions of 37 C.F.R. §1.137(b) and examined on its merits at an early date.

Such favorable action is respectfully requested and earnestly solicited.

Respectfully submitted,

ROBERT VICTOR JAMES *ET AL.*
